

The Clever Cleaver Brothers®

Regis Philbin said, "The Clever Cleaver Brothers aren't just clever. They're funny and can cook too." Leez Gibbons said, "Anything these guys do promises to be fun." And "EMMY" magazine added, "They're what you might get if Martin and Lewis graduated from The Cordon Bleu."

The Clever Cleaver Brothers are Steve Cassarino and Lee N. Gerovitz, two professional chefs who turned their love for food and laughter into a unique career as authors, celebrity chefs, television personalities and, as one pundit called them, "stand-up chefs."
